Pentecost

1 Corinthians 12:3b-13

Paul describes the different gifts of the Holy Spirit that help Christians to work together in building a strong and healthy church.

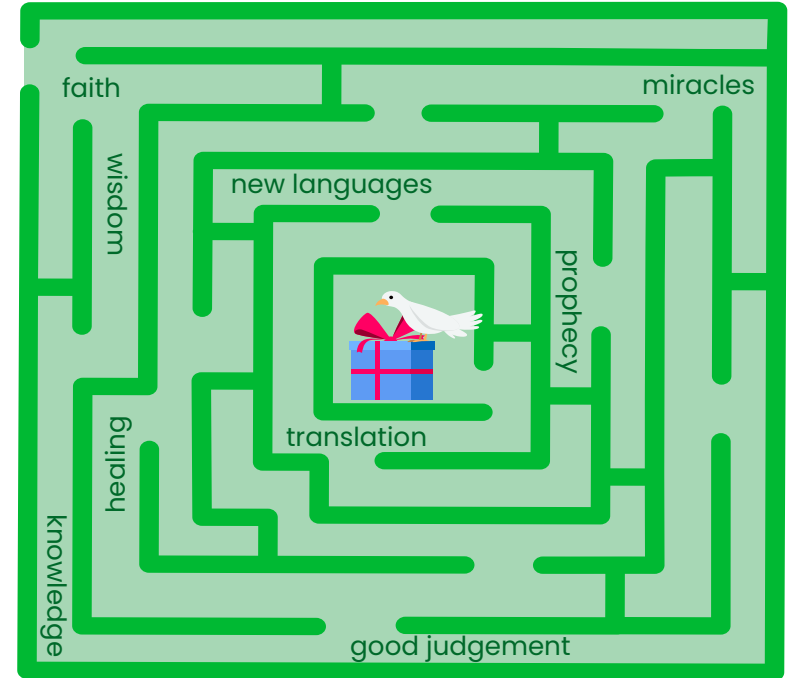

Think of the church of Christ like a human body; there are lots of different parts, but only one body.

Design and colour in the wrapping paper of your gift.

Find your gift from the Holy Spirit. What might it be?

Write a thank you card to someone who helps your church.

You could cut it out and give it to them later!
